**JOIN US THIS SUMMER AND ENJOY THIS UNIQUE EXPERIENCE!**

Calanova offers different Summer Camps with all kind of watersport activities located in the unique Bay of Palma de Mallorca, Spain. Our camps guarantee a great staff and top-notch instructors as well as a great experience for the Summer. All students from

several nationalities share great moments with all the activities that we offer in our programs. Enjoy a different summer at Calanova where we have the perfect program for you. All you have to do is choose the program you like the most. ENJOY AND LEARN!

# WHY CALANOVA?

## ENTERTAINMENT AND FUN SPIRIT

Learning, sports and team work are the pillars in our camps. The multiple activities and sports we practice is what make hundreds of students come to visit us to experience a unique summer.

The program includes evenings on the beach playing games, talent shows, excursions, movie nights and lots more...

## INTERNATIONAL ENVIRONMENT

Calanova gathers students from all nationalities so that they can share a complete, fun and multicultural program.

All the activities are done in groups to encourage the students to integrate and to exchange languages and experiences.

Room distribution depends on the gender, age and nationality to develop our system of integration that generate long-lasting friendships.

## SECURITY AND SUPERVISION

We have 24-hour supervision in our facilities. The principal of the camp and all our instructors sleep in the same residence.

All our staff makes sure the safety rules are followed and they also have a great time!

Participants under 14 years old will not have permission to leave our facilities without being accompanied by an adult.

Students over 14 years will be allowed to leave the facilities

## TOURS AND EXCURSIONS

during this time having always signed our entry/exit form and having a previous authorization form which should be attached with the inscription.

There is an instructor for every ten students.

During the camp there are several outings, activities and excursions outside the camp. All camp students have one outing per week with dinner included. Participants from 13 to 15 years old go out for sightseeing and dinner in Palma twice a week, as well as excursions to different villages such as Sóller, Valldemossa or the beaches of Es Trenc and Illetas.

The participants will visit centres such as the water park, the city's aquarium, where they can learn about marine life and its environment.

Half-day excursions are included for all participants to visit the old town of Palma de Mallorca or to visit some areas of tourist interest and take the opportunity to buy some souvenirs of the stay.
